Personal Statement

I am a sixth form student with a keen interest in computer science and mathematics. On top of my education I play tennis to a competitive level and am a young leader at a scout group. Looking to the future I would like to pursue my interests in computing and coding.

EDUCATION

2012-2018 Guernsey Grammar School

GCSEs

Computer Science	8(A*)	Mathematics	9(A**)
English language	7(A)	Religious Studies (short course)	A
English Literature	7(A)	Biology	8(A*)
French	8(A*)	Chemistry	9(A**)
Graphic Products	A	Physics	9(A**)
History	8(A*)	ICT (short course)	A
Further Mathematics	A*		

EXPERIENCE

June 2017 - Work experience at States Property Services for a week during which I used computer design software to redesign a small area of the hospital. I also observed how people with different jobs, mainly buildings surveyors, architects and engineers, used their different skills in collaboration to complete projects.

Streaks

INTERESTS

Sport

I have played tennis from a young age and have made the U14 and U18 county cup teams. When I was 14 I won a Channel Island competition giving me the opportunity to play a tournament at Wimbledon. Regular competing means I have developed determination but also a sense of fair play and respect. In my tennis I have also often volunteered to umpire at competitions for younger age groups.

Music

I have been playing the clarinet for a 6 years and have my Grade 7 qualification. I am also member of the school orchestra and wind band.

Scouts

Scouts has developed my leadership and teamwork skills as well as increasing my confidence in embracing new experiences. I am a young leader at scouts and work with other leaders to educate and organise the scouts and improve my confidence in taking charge of activities.

SKILLS

- Good numeracy skills.
- Problem solving skills developed in scouts.
- Confident in HTML, CSS and Python.
- Competent with computers.

NOTABLE ACHIEVEMENTS

- Bronze Duke of Edinburgh
- Grade 7 Clarinet
- Year 7 Design and Technology Prize
- Year 8 Music Prize
- Year 9 Chemistry Prize
- Year 10 English Prize
- Chief Scout Gold Award
